1. Цены указаны в Евро, оплата по курсу Центрального Банка РФ, действующему на дату выставления счета.

2. Заявка в адрес Поставщика является безотзывной и влечет за собой безусловную обязанность оплатить и принять заказанную продукцию.

3. Поставка комплектного груза осуществляется в течении 35 календарных дней с момента оплаты, при условии наличия продукции на Складе (Бельгии, Голландии и Германии). Комплектным считается груз, кратный норме загрузки одной машины грузоподъемностью 20 тонн.

4. Поставка комплектной машины может осуществляться максимально в два места выгрузки для Москвы, Санкт-Петербурга и Московской области на расстояние между адресами выгрузки не более 150 км, для других регионов не более 100 км. Поставка груза в два адреса (места выгрузки) производится за дополнительную плату в размере 3 000 руб. с НДС.

5. Возможна поставка некомплектного груза от 8 паллет за дополнительную плату:

- в случае если расстояние от точки отгрузки менее 300 км, в размере 4 800 руб. с НДС

- в случае если расстояние от точки отгрузки более 300 км, но менее 1000 км, в размере 9 600 руб. с НДС

- в случае если расстояние от точки отгрузки более 1000 км, по согласованию.

Доплата за некомплектный груз осуществляется за каждую некомплектную машину. Сроки поставки некомплектного груза согласовываются с Поставщиком дополнительно.

6. Поставка некомплектного груза менее 8 паллет возможна только на склады ООО «Винербергер Кирпич» за дополнительную плату в размере 6 000 руб. с НДС (если позиция не является складским ассортиментом, не находится на складе в РФ, и ее необходимо привезти из ЕС под заказ дилера). В этом случае поставка осуществляется на условиях самовывоза со складов ООО «Винербергер Кирпич». Сроки поставки некомплектного груза согласовываются с Поставщиком дополнительно.

7. Любая машина должна быть разгружена в течение 2-х часов с момента ее прихода на объект. За точку отсчета берется час, следующий за часом, когда машина фактически пришла на объект. За каждый час сверхнормативного простоя взимается штраф в размере 600 рублей с НДС за каждое транспортное средство.
